Both teams will sit on the same of the field, on opposite halves, while the spectators will remain on the other side of the field. Everyone that is not a part of active play should remain at least five yards away from the playing field at all times.

Law 2: The Ball: This division will use a size four (4) ball.

Law 3: The Number of Players: This division plays 6 vs. 6, which is five field players and a goalie per side. There are unlimited substitutions. Subs must be on the halfway line and be beckoned on by the referee before entering the field.

Law 4: The Players' Equipment: Each player must wear an official WLSC reversible jersey, navy or black shorts, shin guards, and socks that completely cover the shin guard. No jewelry of any kind may be worn.

Law 5: The Referee: A referee will be assigned to each match. It is the referee's duty to ensure that the players are safe and at this age, to instruct the player of the committed fouls to help teach our players the rules. In the event that a referee is not assigned, each coach (or team representative) shall referee one half of the game.

Law 7: The Duration of the Match: The game is divided into four twelve (12) minute quarters, for a total game length of 48 minutes. There is a two minute break between quarters one and two, and between quarters three and four. There will be a five minute halftime.

Law 8: The Start and Restart of Play: Each game and quarter is started by a kick-off. The team in blue will kick off in the first and third quarters, the team in yellow will kick off in the second and fourth quarters. A kick-off is used to restart after each goal is scored, taken by the team that was scored upon.

Law 9: The Ball In and Out of Play: The ball is out of play when the entire ball has crossed over the field boundary. The ball is in play at all other times, except when the referee has blown his whistle to stop play.

Law 10: Goal Scored: A goal is scored when the entire ball has crossed the goal line, passing between the goalposts and under the crossbar.

Law 11: Offside: There are no offside fouls in the U10 game.

Law 12: Fouls and Misconduct: Cautions and Send Offs (yellow and red cards) may be used in this division, if it is apparent to the referee that serious foul play or game misconduct is occurring. There are seven offenses each for which a yellow or a red card may be issued. Two yellow cards to the same player in a game are equal to a red card. A red card carries a two game suspension.

Law 13: Free Kicks: All free kicks will be indirect, which means that at least two players must touch the ball after the restart before a goal can be scored.

Law 14: The Penalty Kick: There are no penalty kicks taken in this age group.

Law 15: The Throw-In: All balls that go out of bounds over the touchline will be restarted by the opposing team with a throw-in. The player taking the throw must keep her feet on the ground and bring the ball completely behind her head with both hands and completely follow through with the motion.

Law 16: The Goal Kick: This restart is taken by the defending team when the attacking team last played the ball out of bounds over the goal line. The ball is placed two or three yards off of the goal line, in or near the goal box. Opposing players need to be at least five yards away from the ball when the goal kick is taken.

Law 17: The Corner Kick: A corner kick is taken by the attacking team when the defending team last played the ball out of bounds over their own goal line. The ball is placed in the one yard corner arc and the kick is taken from there. Opposing players need to be at least five yards from the corner arc during the taking of the kick.
